Pre-trip checklist

[ ] Destination law page checked (and its last-verified date)
[ ] Airline page(s) checked for every operating carrier and leg, including the return
[ ] Airport reports read (origin, connections, destination)
[ ] Local rental shops / groups contacted (confirm dates and charger)
[ ] Charger plug type and voltage checked
[ ] Helmet and pads packed
[ ] Documents: spec sheet, battery declaration (2 copies), airline written approval
[ ] Plan B if the board is refused: ship, rent, or leave it at home
